Station Capodichino NAPLES, ITALY

THE AIR OFFICER COMMANDING'S CHRISTMAS GREETING

To all ranks my best wishes for Christmas and a Year of accomplishment in 1957.

We can be justly proud of air transport command achievement in 1956. I am particularly pleased with our operation in support of the United Nations force and appreciate that many husbands must be separated from their families to fulfil this duty.

I Wish to convey my special greetings to these families.

I intend to spend Christmas with your unit.

GREETINGS TO THE PERSONNEL OF RCAF STATION CAPODICHINO !

The spirit of the first Christmas born so long ago, takes on a special significance in this Year 1956 as a troubled world gropes for peace on earth and good will toward all men. The Nations of the world look to you, the men of the United Nations emergency forces, for the stiength to achieve a lasting peace.

Your contribution, made here under adverse conditions, has been most commendable and i extend to all my personal thanks for your efforts at this time. Coupled with my gratitude it is a pleasure to extend my warmest greetings and best wishes for the festive season and a sincere hope for a prosperous and happy New Year under conditions of international good will.
