

Greater Sudbury and the Canadian Navy

H.M.C.S. Sudbury

And

H.M.C.S. Copper Cliff

During the Second World War the Canadian Navy named a series of ships for towns and cities.

The H.M.C.S. Sudbury and Copper Cliff were two such ships.

I've roamed the Nickel district
Nigh half a hundred years;
Lived with the hardy miners
And seen their smiles and tears.
I've heard their careless laughter
As danger they would face
To save an injured comrade.
I've known and loved the race.
Today a tiny warship
is slipping down the way
To guard our ships and sailors
And curb the tyrant's way.

Named for the Nickel District's
Stout heart, may it and we
Stand up to face the danger.
however great it may be.
And may it gladly follow
The course it must pursue
To help our sturdy seamen
Their dangerous duty do.
Then here's a toast my hearties
To ship and guns and men
A happy voyage and good luck
And back in port again.

After the war, The Sudbury began a whole new career as an ocean going tug boat.

She was credited with many life saving rescues.

Ditty Bags for Sailors

SUGGESTED LIST FOR FILLING

(This list need not necessarily be strictly adhered to)

Gifts for Our Sailors and Seamen: This year the Navy League has been requested by the Department of Naval Affairs and the Director of Merchant Seamen to supply more than 120,000 ditty bags. Ontario quota this year is 70,000 bags.

Demand for Woollen Garments: The demand for woollen garments is increasing every day and we would greatly appreciate it if you would send to Navy League, Comforts Headquarters, 748 Yonge Street, Toronto, any knitted articles you may have, so that we may send them to the ports for distribution to the sailors who need them.

We all realize that it is more difficult every day to purchase some of the articles we would like to put in ditty bags, and we are therefore making a smaller bag, and are asking our workers to fill the bags at an average value of \$4.00.

Woollens: It is suggested that one pair of socks and another small knitted article be placed in each bag, and from the following suggested list we feel sure a very useful and worthwhile bag may be packed.

We suggest these articles as FIRST CHOICE

Pair of Socks	New Testament
Tooth Brush	Hard Candy, Nuts, Raisins
Tooth Powder	Cake in tin container, if possible
Shaving Stick	Canned Goods
Cigarettes	Soup or Fish
Writing Paper and Envelopes	First Aid Kit or Adhesive Tape and Band Aid
Small Book or Digest	

Complete your bag from the following list, or gifts of your own choice:

Small Towel and Wash Cloth	Home-made Candy or Toffee (tin container)
Cigarette Paper	Maple Sugar (tin container)
Pipe and Tobacco, Tobacco Pouch	Can or Bottle Opener
Pen or Pencil	Comb
Gum or Paste	Small Mirror (Metal)
Playing Cards	Razor Blades
Felt Insles	Safety Pin
Handkerchiefs	Small Cigarette Lighter
Flashlight and Refill	Flints for Lighters
Ash Tray	Leather Belt
Small Memo Book	"Housewife" containing:
Small Calendar	Shoe Laces and Shoe Polish, Shoe Cloth or Brush
Whisk	Buttons
Mouth Organ	Knives
Package Sweet Biscuits, Nuts, Raisins	Thread (Black and White)
	Mending Wool (Navy and Gray)

Because of the danger of fire, do not put any kind of matches in bag.

PLEASE DO NOT INCLUDE SOAP.

NOTE: Please print your name and address plainly on the front of the bag in the space designated for donor's name. Please DO NOT put the name of any sailor on the bag. We cannot be responsible for delivery of personally addressed bags. Each and every sailor will receive a bag.

The Navy League will supply ditty bags free to those who wish to fill them and return them to our Headquarters for any sailor. Ask your friends to fill a bag.

All sailors like to receive letters. It is suggested that you write a letter and enclose it in your ditty bag. If you receive a letter of thanks in reply, please send it or a copy to us.

Please return filled bags to:

THE NAVY LEAGUE OF CANADA, ONTARIO DIVISION
Comforts Headquarters, 748 Yonge St., Toronto, Ont.

Ditty Bags should be received at our Headquarters by October 1st and not later than December 15. Owing to the heavy freight shipments, bags must be out of our Headquarters the middle of December in order that they will reach our ports and be distributed for Christmas.

NOTE: Throughout the year, the Navy League, in addition to supplying Christmas Bags, distributes Ditty Bags to newly-commissioned ships and to shipwrecked sailors.

The Copper Cliff Comfort
Committee raised funds and
sent many things to the
sailors on board the Copper
Cliff

Dear Sir:

I would like to take this opportunity of thanking you, sir, and the citizens of your town for showing such lively interest in our ship.

The pans, washing machines, and all the other lovely, and much needed gifts, which arrived here lately, were very much appreciated I assure you, but even more appreciated by some of us, is the spirit and whole hearted interest that you have shown for the welfare of your ship and its crew. Indeed it is a true sign of northern Ontario neighbourliness and friendship, and it is a honour to say that I hail from that section of Canada.

Have no fears, sir, your ship is a sturdy one, well built, and as comfortable as any afloat. The officers are tops, every one of them and the spirit

Sailors from The Copper Cliff sent letters of thanks to the Town.

The Copper Cliff was decommissioned 14 November 1945.

She was sold into mercantile service in 1947 being renamed Ta Lung.

After the war the two ships bells were presented to Sudbury and Copper Cliff. Mayor Collins accepted on behalf of the Town of Copper Cliff and Mrs. Beaton accepted on behalf of the City.

Sailor John Hughes of Sudbury shows Copper Cliff Mayor Everett Collins pictures of the corvette. AS Hugh Watson of H.C.M.S. Orkney. Hughes spoke highly of the generosity of Cliff people in sending gifts to the ship, christened in honor of the town.
