N.S.

Ottawa, Canada

29 November, 1944.

Dear Mrs. Roy:

It is with deepest regret that I must confirm the telegram of the 29th of November, 1944, from the Minister of National Defence for Naval Services, informing you that your son Frank Norrie Roy, Steward, Official Number V.45225, Royal Canadian Naval Volunteer Reserve, is missing at sea.

The only information that can be given at this time is that your son is missing at sea when the ship in which he was serving was lost. Please be assured, however, that as soon as further particulars can be released, you will be informed.

It is regretted that slight hope is held for your son's survival. When it is considered, beyond all reasonable doubt, that no further hope exists and should no information be received to the contrary, an official presumption of death will be made by the Canadian Naval Authorities.

It is requested that, for security reasons, you regard the name of the ship in which your son was serving, as confidential until such time as an official announcement is made.

Please accept the sincere sympathy of the Department in your anxiety.

Yours sincerely,

OSECRETARY, NAVAL BOARD.

Mrs. Catherine Roy, 1623 Haro Street, Vancouver, B.C.

9 December, 1944.

Dear Mrs. Roy:

A registered air mail letter dated the 29th of November, 1944, copy of which is attached, addressed to you at 1623 Haro Street, Vancouver, B. C., has been returned to the Department by the postal authorities of that city.

As you have no doubt learned from the newspaper accounts, your son is missing when H.M.C.S. "SHAWINIGAN", a Royal Canadian Navy corvette, was lost while on operational duty at sea.

Seven officers, including her Captain, Lieutenant W. J. Jones, R.C.N.R., and seventyeight ratings are missing. The bodies of five other ratings have been recovered and identified. There are no known survivors.

May I express sincere sympathy with you in your anxiety.

Yours sincerely

SECRETARY, MAVAL BOARD.

Dear Mrs. Roy:

Further to my letter of the 9th of December, 1944, I regret to inform you that in view of the length of time which has elapsed since your son, Frank Norrie Roy, Steward, Official Number V-45225, Royal Canadian Naval Volunteer Reserve, was reported missing from H.M.C.S. "SHAWINIGAN", and as no news has since been received to the contrary, the Canadian Naval Authorities have now presumed his death to have occurred on the 24th of November, 1944.

Please allow me to express sincere sympathy with you in your bereavement on behalf of the Minister of National Defence for Naval Services, the Chief of the Naval Staff, and the Officers and men of the Royal Canadian Navy, the high traditions of which your son has helped to maintain.

Yours sincerely,

SECRETARY, NAVAL BOARD.

, 25 August, 1945.

Dear Mrs. Roy:

Further to my letter of the 15th of February, 1945, the Department is now able to release additional information regarding the loss of your son's ship and I am accordingly passing on the following particulars which will, no doubt, be of interest to you.

H.M.C.S. "SHAWINIGAN" sailed from Sydney, N.S., on the 24th of November, 1944, to escort a merchant ship to Port Aux Basques, Newfoundland, and arrived off Port Aux Basques that night. In accordance with orders she was then to carry out a patrol in the area for the duration of the night, after which she was to meet the same merchant ship the next morning and return with her to Sydney.

The merchant ship arrived in Sydney unescorted on the night of the 25th of November and after it was ascertained that "Shawinigan" had not appeared at the designated rendez-vous to provide escort as instructed, searches were instituted and "Shawinigan" was discovered to be missing.

It was the opinion of the Department at the time that the ship had been torpedoed by an enemy submarine during the night of the 24th/25th of November, 1944, as submarines were known to be operating in that area; and this has since been confirmed from German evidence. Although no survivors were found, a few bodies were recovered by later searches, due to tidal movements, some distance from the area in which "Shawinigan" was known to be operating. As a result, the position of the sinking can not be exactly ascertsined, although from German evidence and the Department's computation, it is estimated to be in the vicinity of the three mile limit off Channel Head, near Port Aux Basques, Newfoundland.

Yours sincerely,

SECRETARY, NAVAL BOARD.
