for Dir. Naval Pay Acctings

Adones 21 Falcon Street. Torentd, Unterto. EXPLANATION OF ITEMS A, B & C 1. The War Service Grants Act, 1944 provides for the payment of the War Service Gratuity for every thirty days of service as follows:-(i) \$7.50 in respect of service which is not classed as overseas service. (ii) \$15.00 in respect of service classed as overseas service. By regulation, each person qualifying is entitled to a gratuity of \$7.50 for each completed period of 30 days of service together with an additional sum of 25 cents for every day of overseas service which falls within such periods. No sum is payable for any day of service over and above the last completed 30 day period. 2. An "ineligible day" is any day of overseas service, rendered after completion of the last 30 day period, for which no additional sum of 25 cents per day is payable. 3. In addition, a supplement is payable for service classed as overseas service equivalent to seven days' pay and allowances, including dependents' allowance and subsistence or lodging and provision allowance at standard Canadian rates for each six months of overseas service and proportionately for a period of less than six months. By regulation, "six months" is considered to mean "183 days". 4. For the purpose of computing benefits under the Act, no period of absence without leave or leave of absence without pay, or time served while undergoing sentence of penal servitude, imprisonment or detention, or period of service in respect of which pay is forfeited is included in determining qualifying service. 30.
