FD 7-10-2 Vol 3

Submitted for the consideration of the Department the enclosed application for entry into the Royal Canadian Navy as Boy Seaman.

Fenerty has been specially interviewed with a view to ascertaining his suitability for the Telgraphist Branch which he wishes to join, and it is considered that he will be very suitable for this work, both in education and intelligence.

Should his application be accepted he could be turned over to the W/T. Branch for three months probation immediately following his "new entries" course.

Morris St.G. Fenerty, Ord.Sig.
O.No. 2153.

Submitted for the consideration of the Department that the abovenamed rating has applied to transfer from the V/S to the W/T Branch. Previously to being rated Boy Signaller on 15 June, 1926, he was being trained for Boy Telegraphist, though no official notation of this was made in his Service Certificate as at that time there was a shortage in the V/S Branch, and the Signal Officer trained and passed him for Boy Signaller instead.

This rating is recommended for transfer to the W/T Branch, and it is proposed that he join up with Willis and Piuze to train for Ordinary Telegraphist.

The complement of Signal Ratings will be readjusted when Waters joins, as recommended in my submission of the 29th September, 1927.

Submitted;

The above named rating has requested that he be advanced to the rating of Leading Telegraphist.

2. Fenerty passed for the higher rating on board H.M.S. " Delhi " on 5th Sep. 1931, and has been carrying out his duties to my satisfaction. This rating appears to have the qualifications required for the rating of Leading Telegraphist, observing that he passed the Educational Test Part I. in July, 1926, and has the required seetime.

Dear Madam:

It is with deep regret that I must confirm the telegram sent out by the Minister of National Defence, reporting that your husband, Morris St. George Fenerty, P.O. Telegraphist, O.N. 2153, R.C.N., was missing, believed killed.

Few details are available, but it is known that H.M.C.S. "MARGAREE" was sunk in collision in the North Atlantic whilst steaming without lights, on convoy duty, and in the submarine zone. 142 Officers and ratings are missing and must be presumed lost at sea.

I am requested to express to you the sincere sympathy of the Minister of National Defence for Naval Services and the Chief of the Naval Staff in your bereavement.

Any further information, which is received, will be at once communicated to you.

Yours very truly,

(J.O. Cossette),
NAVAL SECRETARY.

Lieutenant Russell

Dear Sir:

I'm not much good at writing thank you letters, but I do thank you for telling me all the details of the accident which took my husband from us.

The loss of my husband is more than I can take, but we still go on living. I have my four children to look after and rear up the best I can now, so I will have to keep going. There is something you could let me know about please, if you don't mind, it's about my husband's back pay. You see while he was in England, he said he wasn't drawing much pay, it was being kept back for when he came home. The Rev. Mr. Furlong said he would see about it, but I haven't heard from him for nearly two months now. I would like to get it if I could, I'm saving up to have a down payment on a little home for my kiddies and myself this coming summer. So if it wouldn't be bothering you too much would you please find out some information for me please. Again I thank you for your kindness and may I say I'm very glad for you that you were saved, and may God guide you and keep you safe in all you do while this terrible war is on.

Thanks Again

(Sgd.) Mrs. Pearl Fenerty
