Sir

I have the honour to report that I arrived in Montreal onboard S.S. Montrouze on the 20th November 1937

In order that I may complete my private arrangements I request I may be informed as early as possible where and when I shall be required to take up a further appointment

I have been away from Canada for 22½ months and as I have taken no leave in England except that granted at the Staff College I calculate I may be granted by regulations up to 54 days leave. Therefore it is requested I may be granted leave until required to take up my next appointment.
My address in Montreal

To Mrs Corsette & yourself.

Dear Com^{rs} Corsette

I am returning passport forms which I hope have been correctly filled in. You might have the passports endorsed for as many countries as is conveniently possible. It saves trouble later.

I presume my steamship tickets will be delivered onboard as usual.

Dear Madam:

It is with deep regret that I must confirm the telegram sent out by the Minister of National Defence, reporting that your husband, Commander Joseph W.R. Roy, R.C.N., was missing, believed killed.

Few details are available, but it is known that H.M.C.S. "MARGAREE" was sunk in collision in the North Atlantic whilst steaming without lights, on convoy duty, and in the submarine zone. 142 Officers and ratings are missing and must be presumed lost at sea.

I am requested to express to you the sincere sympathy of the Minister of National Defence for Naval Services and the Chief of the Naval Staff in your bereavement.

Any further information, which is received, will be at once communicated to you.

Yours very truly,

(J.O. Cossette),
NAVAL SECRETARY.
