N.B. A good hard-working seaman. It is to be noted that, at the time of reducing to Category "B", he shouldered the entire responsibility of getting the A/S equipment into top shape being the only A/S rating in the ship at the time. The remarks of the inspecting A/S Officer, a Commander, R.N., were that the gear was in the best shape of any ship he had inspected. This rating deserves a great deal of credit for an exceptional job.
